

## Site Leaders / Directors of Care – Fort Langley, Agassiz, and Campbell River

### Join the Park Place Family

---

[Park Place Seniors Living](#) is a dynamic and growing organization. We know that people make our organization and that is why we work hard to attract smart, caring individuals who want to make a difference in the lives of the seniors we serve.

In order to provide quality care and service we work hard to create work environments that support and attract people with passion, dedication and expertise in the care and service to seniors. If you are a collaborative, motivated, conscientious and innovative clinical leader we want you to be part of our future.

Park Place is currently recruiting 3 positions for Site Leader / Director of Care in BC in the communities of [Fort Langley](#), [Agassiz](#) and [Campbell River](#). This position requires a distinguished mix of compassion, ingenuity, ethics and business sense, with a passion for service and delivering outstanding care.

### Core Responsibilities

---

Working collaboratively with the residents, their families and the interdisciplinary team the Site Leader / Director of Care will provide leadership by acting as a professional role model. Central responsibilities include mentoring staff to ensure the delivery of care and the planning and implementation of programs meet resident needs. The Site Leader / Director of Care will provide support through the ongoing monitoring of service quality and generating innovative and creative solutions.

### Qualifications

---

- Current registration or eligible to be registered with the British Columbia College of Nursing Professionals, progressive nursing experience and education, in which leadership and administrative skills have been demonstrated.
- Minimum of five years' work experience in management and or leadership positions.
- Minimum of three years' work experience in geriatrics OR a suitable combination of education and experience.

## Compensation
