**Generations- Being, Becoming, Belonging**

Designed to improve quality of life, the *Generations*: Multi Generational Housing & Community Centre campus includes designated supportive living and long-term care spaces for seniors that promote mental, physical, social and spiritual well-being. Working with our care provider Park Place Senior's Living we are committed to best in class care for our residents and are looking for individuals to join our family. If you would like to work at our state of the art, inter-generational campus, and are committed to serving our residents with care and compassion, we invite you to keep reading below.

**Position Summary**

*Generations* - MGH is currently looking for dedicated, motivated, and passionate individuals to join our team as Registered Nurses in Long Term Care.

**Duties and Responsibilities Include:**

- Promoting quality resident centered care through ongoing detailed assessment and implementing prescribed interventions (medications, medical treatments and procedures) and performing independent nursing interventions
- Ensuring the implementation and ongoing administration of the Resident Care Plans. This includes leadership, support and direction to LPNs and HCAs on an ongoing basis
- Coordinating and participating in MDS data entry by communicating and observing the resident, communicating with direct care staff, interdisciplinary health professionals, and family
- Developing and maintaining a good rapport and therapeutic relationships with Residents, families, management, nursing staff, other departments, and the general public
- Participating in accreditation, accommodation, and other quality improvement activities and projects as required

**Essential Skills and Qualifications Include:**

- Baccalaureate of Nursing is required
- Registration in good standing with College of Registered Nurses of Alberta (CARNA)
- Minimum of 2 years work experience as an RN
- Experience caring for the geriatric population and those with dementia will be an asset
- An equivalent combination of education, training and experience will be considered.

- Experience and skills working with MDS IntraRai, and Point Click Care will be considered an asset
- Ability to communicate fluently in English, both verbally and in writing.
- Excellent computer skills (MS Office) and knowledge of nursing-related care equipment utilization and management

*NOTE: In an effort to further protect our residents as well as other employees and volunteers, **Generations MGH requires all new employees to produce a clear Vulnerable Sector Search within 6 months prior to starting work.***
