

We know that people make our organization and that is why we work hard to attract smart, caring individuals who want to make a difference in the lives of the seniors we serve. In order to provide quality care and service we work hard to create work environments that support and attract people with passion, dedication and expertise in the care and service to seniors.

As a member of the care team, you are a self-directed, motivated and dedicated Occupational Therapist who enjoys working in residential care, apply today to come join our team at Park Place Seniors Living - Mountain Lake Seniors Community in Nelson BC.

You are a role model who works as an integral member of an interdisciplinary care team. Responsibilities include assessment and consultation, enhancing optimal resident function, collaboration and cooperation with other care team members to ensure a continuum of service and development of effective resident interventions. This position also involves program planning, development and the provision of education in-services for the team you work with.

Qualifications:

- Graduation from an approved school with current practicing registration with the College of Occupational Therapists of British Columbia.
- Minimum two years acute medical experience and one year residential care experience is preferred.
- Additional training and previous experience in the care of the frail elderly is an asset.

Skills and Abilities:

- Ability to communicate effectively verbally and in writing in the English language.
- Strong interpersonal skills
- Must be in good health and physically able to perform repetitive tasks, lift, squat, bend, stand and walk, push, pull as required to perform the duties of the position.
- Applicants must have a valid BC Driver's License.

Job Type:

- Permanent Part-time and Casual
