STATEMENT

Park Place Seniors Living (PPSL) will have standardized position descriptions for all workers based on relevant standards of practice and/or provincially mandated expectations and PPSL policy.

PURPOSE

Provide standardized and specific expectations, responsibilities and role description for every staff member.

PROCEDURE

DEPARTMENT: Nursing Services

JOB TITLE: **Licensed Practical Nurse (LPN)
Registered Practical Nurse (RPN)**

REPORTS TO: Nursing Manager

JOB SUMMARY:

In keeping with the Mission, Vision and Values of PPSL, the LPN/RPN, in collaboration with the interdisciplinary team, uses the nursing process and applies his/her nursing knowledge, skills and clinical judgment in performing assessments, planning, implementing and providing quality and person-centred nursing care to the residents. The LPN/RPN operates in accordance with the competency guidelines and full scope of practice as outlined by the relevant provincial governing body's practice standards and Code of Ethics and PPSL policies and procedures. The LPN/RPN practices in a setting where the client care needs are established and changes in health condition are predictable and ensures a commitment to PPSL's "culture of safety."

I. DUTIES AND RESPONSIBILITIES:

1. Nursing Knowledge

- 1.1. Demonstrates knowledge and the ability to utilize the nursing process in identifying the residents' health care needs in an environment that facilitates achieving mutually agreed upon health outcomes;
- 1.2. Demonstrates knowledge and the ability to use critical thinking and problem-solving skills in all aspects of care;
