### DUTIES

Under the direction of the Registered Nurse and Licensed Practical Nurse and supervision by the Resident Care Manager, the Health Care Aide (HCA) provides direct personal and nursing care for assigned residents in accordance with the policies, procedures and work routines of Devonshire Care Centre.

- Assists in providing restorative care for residents; assists with ambulation, feeding, bathing and grooming.
- Assists in the nursing process by observing and reporting changes in the residents' physical and emotional condition.
- Knows and understands the guidelines of care of assigned residents as outlined in the resident care plans and provides consistent, quality care as outlined in the care plan.
- Assists with meal service and nourishment delivery to residents and provides feeding assistance as required and reports and records any changes to appetite and/or hydration.
- Assists with the maintenance of records reflecting each resident's condition, care and specific treatments.

### QUALIFICATIONS

#### REQUIRED:

Graduate of an approved Health Care Aide or Personal Support Worker course or equivalent, as recognized by Alberta Health Services.

#### PREFERRED:

Experience in working with seniors and/or chronic care residents in a health care facility. For those working on a specialized units (i.e. Alzheimer's), a willingness to complete a course on the specialty.

### SKILLS

- You are a self-directed individual with excellent verbal and written English communication skills.
- **Attention to detail**, above average problem solving skills and effective time management skills are a must.
- **Strong customer service skills** and a focus on **promoting positive working relationships** with residents, families and co-workers.
