

IT Support person

We are recruiting a person with some desktop and troubleshooting experience to assist us on our helpdesk. We are looking for someone who has working knowledge of Windows, network hardware, wiring and principles, as well as the ability to install network wires, crimp, and jacks. Strong interpersonal, communication and organizational skills, and a willingness to learn. This position may include travel. The successful candidate will have satisfactory proof of Covid-19 vaccination(s).

Please submit your application with IT in the subject line to hr@parkplaceseniorsliving.com

We thank all applicants for their interest; however, only those applicants selected for an interview will be contacted.
