WELCOME NEW RESIDENT

Dorothy L.

May has arrived and so have the buds on the trees, and the bird's and the Bees!! We have been going outside and enjoying the sunshine, having socials and activities on the back patio. Peter S. our gardening expert has started to turn over the dirt to get ready for planting. We are hoping to plant some corn this year (Peter's idea) along with some vegetables, tomatoes plants and flowers. Peter certainly has a love for gardening, we appreciate all his ideas and expertise. He has recruited the greeter ladies to help him out. Thank you Peter and your team!

Thank you to the Resident Society & Family /Resident Council for helping to support this program. Last year many of you made donations to help make our gardens beautiful. If you would like to make a donation or provide some plants for our gardens this year we would kindly accept them. We are blessed to have the Northshore Lions Club help with this year's garden project. We will be planting after the long weekend in May. All donations to the Residents Society are tax deductible. (cheques are payable to Pine Grove Lodge Residents Society) You are also invited to help you loved one to plant a flower box.
