

## **Come be part of our future...**

Park Place Seniors Living is a dynamic and growing organization. We know that people make our organization and that is why we work hard to attract caring, smart individuals who want to make a difference in the lives of the seniors we serve.

In order to provide quality care and service we work hard to create work environments that support and attract people with passion, dedication and expertise in the care and service to seniors. If you are a collaborative, motivated, conscientious and innovative clinical leader we want you to be part of our future.

Park Place Seniors Living is currently recruiting a Site Leader/Director of Care for Cascade Gardens located in Burnaby BC. This position requires a distinguished mix of compassion, ingenuity, ethics and business sense, with a passion for delivering outstanding care,

### **Core Responsibilities**

Working collaboratively with the Residents, their families and the Interdisciplinary Team the Site Leader/Director of Care will provide leadership by acting as a professional role model. As an ambassador of Park Place, you have exceptional interpersonal skills. Central responsibilities include mentoring the staff to ensure the delivery of care and the planning and implementation of programs that meet resident needs. The Site Leader/Director of Care will provide support to the site through the ongoing monitoring of service quality. You are a critical thinker and problem solver, organized, and able to manage your time, workload, and conflicting priorities effectively and efficiently. You also are able to have fun and foster our friendly and caring culture.

### **Qualifications**

- Current registration or eligible to be registered with CRNBC, a degree in nursing and progressive nursing experience and education, in which leadership and administrative skills have been demonstrated.
- Minimum of five years' work experience in management and or leadership positions.
- Minimum of three years' work experience in geriatrics OR a suitable combination of education and experience.

The successful applicant will have satisfactory proof of COVID-19 vaccinations.

### **Compensation**
