- Ability to operate related equipment.

About CareCorp

CareCorp Seniors Services is a contracted services provider to the senior care community in complex care and assisted living settings, providing services including nursing, personal care & support, recreation, professional therapies, food services, housekeeping, laundry, and maintenance.

To mitigate the risk COVID-19 transmission among persons in our care, patients, residents and staff, an order under the Public Health Act was enacted to limit movement of staff between long-term care facilities.

While this order is in place, staff are limited to working in only one (1) private long-term care hospital (facility), licensed long-term care facility, registered assisted living facility, stand-alone extended care hospital, or provincial mental health facility.

The successful applicant for this job posting must provide satisfactory proof, or have such proof on file, that they have received the COVID-19 vaccination and any required COVID-19 booster vaccination. This requirement shall be waived if the applicant has not received the vaccination due to any legislated protected human rights grounds. In such a case, and upon presentation of sufficient proof, CareCorp shall make reasonable attempts to accommodate the applicant to carry out their role where possible recognizing that the health and safety of other employees and residents will be a priority.
