## April Moments

## A Message from The Director of Care/Site Leader

I am thrilled to share that recent upgrades to the lighting in the South neighborhoods and North neighborhoods have been successfully completed! These improvements have significantly enhanced the brightness and overall ambiance in these areas, creating a more welcoming and enjoyable dining experience. The new lighting has made a noticeable difference compared to before. The dining rooms are now much better illuminated, improving visibility and making the space feel more vibrant.

In addition to the lighting upgrade, painting in the north dining rooms has begun!. This refresh will give the space a brighter, cleaner look and provide a better sense of warmth and comfort for our residents and visitors alike.

We will keep you posted on other upcoming upgrades in our care community. We are currently awaiting our big kitchen renovation, which is expected to begin soon.

We're excited about the positive changes this will bring and will share more details as the project progresses.

Thank you for your ongoing support as we continue to enhance our home for the comfort and safety of everyone.

Joan Paler
