A Message from The Director of Care/Site Leader

I am excited to share that our long-awaited kitchen renovation is now complete! This has been a major project, and I want to thank everyone for their patience and understanding during the renovation period. The refreshed space not only looks wonderful but also enhances our ability to provide nutritious, high-quality meals in a more efficient and comfortable environment. We are excited for you to enjoy the benefits of our new kitchen alongside us.

On another important note, September also marks the beginning of flu season. As part of our commitment to resident and staff safety, we will be launching our annual influenza immunization campaign. Vaccination continues to be the best defense against influenza outbreaks in long-term care, helping to reduce illness and protect our most vulnerable. Consent forms and immunization dates will be shared with residents, families, and staff shortly. We encourage everyone to participate so we can work together to maintain a healthy care community throughout the season.

Thank you for celebrating this exciting milestone with us and for joining us in our ongoing efforts to keep our care community safe and well.
