Enriching Lives of Seniors

Welcome & community updates

"We believe in enriching the lives of seniors by creating a warm, welcoming home where Residents feel valued every day."

Friendly reminders:

1. Reminder to all the families to check their loved one's wardrobe and storage areas to ensure they are not overloaded with heavy/too many items. Overfilled furniture can become a tipping hazard and pose a risk to residents and staff.

2. To help keep all residents safe, please be mindful when entering and exiting the neighbourhoods. Each neighbourhood has two entrance doors. If you see a resident standing near or waiting by one door, we kindly ask that you use the alternate entrance whenever possible. This simple step helps reduce the risk of unintended elopement and supports a safe environment for everyone. Thank you for your cooperation and partnership in resident safety.

Good News Story: Celebrating Compassionate Care

We recently received a heartfelt compliment from a resident's companion recognizing the exceptional care provided by Caroline, one of our evening Care Aides. The companion shared that Caroline's patience, kindness, gentle approach, and warm smile have made a meaningful difference in their loved one's daily experience. They expressed sincere appreciation for the compassionate care she provides and noted how fortunate our residents are to have team members like Caroline.

Thank you, Caroline, for embodying the values of person-centered care and for the positive impact you make each day. We are proud to celebrate team members who help make Fort Langley Seniors Community feel like home.

Community Spotlight

Celebrating Support Services Day

On September 16, we proudly celebrated Support Services Day and recognized the dedicated team members who work behind the scenes to keep our community running smoothly. From our housekeeping, laundry, dietary, and kitchen teams, these staff make a meaningful difference in the lives of our residents every day through their hard work, kindness, and commitment to excellence.

Whether it's preparing nutritious meals, maintaining a clean and comfortable environment, keeping clothing and linens fresh, or supporting countless daily operations, their contributions help make Fort Langley Seniors Community feel like home. We extend our heartfelt thanks to all our Support Services staff for everything they do to enrich the lives of our residents and support our community. We appreciate you today and every day!
