A Message from The Director of Care/Site Leader

This November is an important month for Hilton Villa as we welcome our Accreditation surveyor during the first week of the month. Accreditation gives us an opportunity to reflect on the work we do every day and how we continue to provide safe, quality, resident-centered care.

While Accreditation brings extra attention to our policies, documentation, practices, and processes, quality care is not something we do only when a survey is taking place. It is reflected in our everyday interactions with residents, families, and one another.

Every time we respect a resident's choices, protect their dignity and privacy, follow safe practices, communicate concerns, document accurately, or take the extra moment to listen, we are demonstrating the values behind quality care.

I want to thank our entire team for the work you do each day to make Hilton Villa a safe, caring, and welcoming home for our residents. I also want to thank our residents and families for sharing their experiences and helping us continually learn and improve.

Thank you for everything you do to make a difference in the lives of our residents.

Regards,

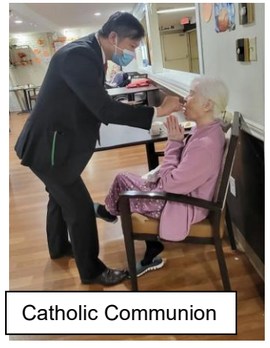

Joann Paler
